EXPERIENCE

Graduate Teaching Assistant| Boston University 2024 Sep 2024-Dec2024

- Graded assignments and provided structured feedback on project management methodologies, including risk assessment, cost estimation, and scheduling. Led review sessions covering AI applications in construction, modular implementation, and historical data analysis for risk prediction.

Graduate Teaching Assistant| Boston University 2025 Mar 2025-May2025

- Evaluated assignments on organizational change strategies, applying models such as Kotter's 8-Step Process and the Triple Catalyst framework.

- Reviewed analyses of corporate change management, assessing use of key performance indicators and financial projections.

Operations Assistant | Boston University 2024

May 2024-Aug 2024

- Scheduled facility openings and closings while managing and resolving discrepancies in file information.
- Ensure campus infrastructure security and availability of competition venues.

Special Events Assistant | Boston University 2024

Aug 2024- Jan 2025

- Coordinated execution of campus sporting events, including men's and women's basketball, swimming, and field hockey, ensuring compliance with event protocols.
- Maintained inventory storage throughout shifts and prepared concessions, including popcorn, burgers, hot dogs, french fries, and chicken nuggets, ensuring alignment with match schedules and service protocols.
- Cleaned designated areas post-shift, sustained workspace organization, assisted in crowd control, and ensured proper shutdown of equipment before departure.
